TERMINATION OF WATERSHED CONDITIONS STATEMENT: WATER SAFETY

Date of Issue—Monday, September 20, 2021

(Timmins, ON) — The Timmins Flood Advisory Committee is advising that the current Watershed Conditions Statement for Water Safety for Porcupine Lake, issued on September 14, 2021, has now been terminated.

Water levels are gradually declining to normal levels. As always, residents are advised to stay away from watercourses where flows are high and banks may be unstable.

Residents can visit the MRCA website at www.mattagamiregion.ca for the latest information on watershed conditions and public advisories or to sign up for emailed flood alerts.
