

Wintergreen Fund For Conservation

2024 Scholarship for Environmental Conservation

*Wintergreen's mission is to protect, conserve and restore our community's unique natural heritage and environment.
Our vision is to be the lead community organization in ensuring a clean, healthy and sustainable environment.*

To apply, you must:

- be completing your final year in a City of Timmins secondary school; and
- be entering your first year of full-time, undergraduate study in a university or college environmental, conservation, or natural resources field of study.

This application must be accompanied by:

- a letter of interest introducing yourself, your leadership experience, your plans for post secondary education and why you feel you deserve the scholarship;
- a resume demonstrating your work experience, school activities, school achievements, extracurricular activities and community involvement;
- one (1) letter of reference from a project advisor, teacher, principal or community leader.

All requested material must be submitted to the Wintergreen Fund for Conservation before **June 5, 2024**.

Please print this form, complete the requested information and send the completed package via mail or email to the attention of: **Wintergreen Scholarship for Environmental Conservation**
